

2019 Sparkling Petite Sirah, Windmill Vineyard, Dunnigan Hills

Our sparkling Petite Sirah is a light and crisp sparkling red, earthy and crunchy, perfect with a chill and accompanying any picnic foods (salumi, cheese, veggies and dip, hot dogs, any sandwiches, potato salad...).

We picked the organic grapes very early, at low sugars and high acidity. We fermented it with native yeasts and no SO₂. When it was dry we added a bit more fresh grape juice and bottled it, allowing it to referment in the bottle, naturally bottled-conditioning to create a delicious and natural sparkling wine.

No SO₂ was added at any time; the wine is "Sans Soufre."

25 cases produced.
